UNAVOIDABLE ABANDONMENTCommissioner for Patents
Alexandria, VA 22313-1450

Dear Sir:

The practitioner respectfully requests the revival of the above-captioned abandoned application.

The application was abandoned for failure to respond to a Notice Of Drawing Inconsistency With Specification mailed 05/18/2004 (attached herewith). However, upon examination of the application file, it was discovered that a preliminary amendment was filed by the Applicant's representative on 05/09/2002 (attached herewith), which was received and scanned by the USPTO on 05/14/2002, which achieved what was requested in the Notice Of Drawing Inconsistency With Specification.

U.S.S.N. 10/063,151

The Applicants hereby attach five pages of their docket book covering the period of 05/17/2004 through 06/20/2004, showing that the 05/18/2004 notice was not received by the Applicants.

The Commissioner is hereby authorized to charge Deposit Account No. 06-1510 the fee for this petition.

A revival of this application is respectfully solicited from the Director.
